## **DRESS AND OTHER RULES** *(Please pass a copy to all members of your Society)*

### **General**

At Oundleh Golf Club, we expect our members and guests to act responsibly and observe standards of dress and behaviour in keeping with the traditions of the game of golf. We publish these guidelines on acceptable and unacceptable dress and behaviour, in order to avoid doubt and possible embarrassment of being reprimanded.

In and around the Clubhouse, the general dress code for Visitors is '**Smart Casual**'. On the course, the requirement is for recognised golf equipment and dress. Where possible, this Code will be sent in advance to visitors, but in the case of a visitor being improperly dressed, he will be informed so, by the staff, and politely asked to dress appropriately on his next visit.

All clothes should be in a clean and presentable condition, with no stains, rips, holes, tears, fraying or fading. Golf clubs and/or golf bags must not be carried upstairs into the Clubhouse.

Mobile telephones, tablets and laptops may be used in **silent mode** only. **Non-silent use** is confined to the changing rooms, front foyer of the Clubhouse and the Car parks, unless used in an emergency.

Smoking is only allowed on the golf course and on the outside patio area of the Clubhouse. Please dispose of cigarette ends responsibly and do not leave litter

### **Dress on the Course**

Visitors should be neatly attired at all times, on and off the Course. Organisers are reminded that they are responsible for ensuring their guests abide by the required standards of dress and behaviour.

Shirts should be sleeved and have an attached collar or roll-neck collar and must be tucked in at the waist at all times. Please ensure shirts are long enough in the body to remain tucked-in during play.

Tailored shorts may be worn as an alternative to tailored trousers. Socks are not obligatory, but if worn, long or short, they should be of predominantly one colour. Long socks should not be rolled down at any time.

Headwear shall only be worn outside. Peaked headwear must always be worn with the peak to the front and not back-to-front.

Proprietary golf shoes must be worn, preferably with soft spikes or soft moulded soles. Sports training type shoes are not permitted on the course because of health and safety risks on a number of the slopes on the course.

### **Smart Casual Dress in and around the Clubhouse**

In the Clubhouse and on the patios, clean and presentable smart casual wear will be the norm. Please note that 'used' golf apparel can only be worn in the main Lounge Bar until 7.00pm, after which, the 'Smart Casual Dress' rule will apply. If 'used clothing' is worn in the Lounge Bar before 7.00pm, it should be dry, odourless and stain-free.

The 'Smart Casual Code' comprises:

Shirts with short or long sleeves and an attached collar or roll-neck collar and must be worn inside shorts or trousers, unless the shirt is specifically designed to be worn outside the waistband.

Trousers should be tailored and of full length, not three-quarters length.

Tailored shorts can be worn as an alternative in summer.

There is no restriction on footwear, provided that it is in keeping with the required standard of smartness.

Modern casual shoes, including loafers, deck shoes and sandals (with or without back-straps) are permissible, but all plastic shoes & plastic flip-flops with a single toe attachment are not allowed.

Long or short socks worn with shorts, should be of predominately one colour, preferably white.  
Golf shoes, even with soft spikes or moulded sole, are not permitted in the Clubhouse, except to and from the changing rooms.

## **DRESS THAT IS NOT ALLOWED ANYWHERE**

Denim jeans

Track suits or cut-off trousers for gentlemen.

Stained, torn, frayed or faded clothing.

Trainers or other sports training shoes.

All plastic shoes and plastic flip-flop type shoes.
