MARKING CARDS (see examples at the end of this document)

Note :- There is no requirement to mark a card in Match Play

All competitions with the exception of Match Play are Stroke Play.

Scoring in Stroke Play - Rule 3.3b applies.

Before starting the round :-

The player should check that the competition details have been entered correctly ie the competition title, date, player's name(s) and tee-off time.

The player is responsible for entering their correct current handicap on the card.

The player must hand over their card to the marker.

(Exception in team events where the marker is one of the team)

At the end of each hole during the round the marker should confirm the number of strokes you took on that hole and enter that gross score on your scorecard in the appropriate column.

In stroke play competitions, other than a medal competition, the marker will usually also enter the nett score and points etc., however this is not a requirement.

Only the gross score on each hole will be used to determine the final results.

The player should keep his own record of his gross scores in the markers score columns provided. This will enable him to check his own card with the marker at the end of the round.

After completing the round :-

The player is responsible for checking that the gross score on each hole is marked correctly.

The marker signs the card to show that he/she has completed the scoring.

The player signs the card to show the he/she agrees that the gross scores are marked correctly.

All competitions with the exception of Matchplay are Stroke Play (Rule 3.3 applies).

Matchplay competitions may be specified as Singles or Pairs (4 Ball Better-ball or Foursomes) format (Rule 3.2 applies)

Four-Ball competitions - Rule 23 applies.

Note:-

In Mixed competitions with Men off the white tees, Ladies receive 2 equality shots to be added to their handicaps.

In Mixed competitions with Men off the yellow tees, Ladies receive 3 equality shots to be added to their handicaps.
